

Deadlines for submitting applications for Micro projects

As per the agreement with the EC following the UK withdrawal from the EU, the programme is guaranteed to complete and will run through to 31st December 2023. Here is the provisional calendar of calls for projects **which may change in the coming months** subject to commitment and availability of funds.

Below is a full list of the committee dates to come and the deadlines you need to meet to have your project reviewed at that particular committee for Micro Projects.

Applicants will need to submit their application form by **11.59pm UK time** on the deadline dates.
