

# Deadlines for Submitting Applications

We're now running continuous calls for projects which means you can now submit your application at a time that suits you.

There are however deadlines that you will need to meet if you want to have your project reviewed at a certain selection sub-committee.

For example, if you wanted to have your project reviewed at the committee meeting taking place on the 02 July 2019 you will need to submit your online application by the 05 April 2019. If you miss this deadline you will then have to wait until the following committee meeting for your application to be reviewed.

Below is a full list of the committee dates and the deadlines you need to meet to have your project reviewed at that particular committee.

Applicants will need to submit their application form by **11.59pm UK time** on the deadline dates.

**This table was updated in December 2018.**
